Honorable Dan Rostenkowski
House of Representatives
Congress of the United States
Washington, D.C. 20515

Dear Congressman Rostenkowski:

In regard to your March 2 letter concerning the disappearance of Miguel Jacobo Brzostowski, I regret to say the Embassy has no immediate information on this case. Unfortunately the letter from the missing man's brother Guillermo Brzostowski was not enclosed in your inquiry and therefore we have almost no information to go on. The Embassy has made informal inquiries on behalf of Argentine citizens to the human rights working group of the Foreign Ministry, but we are required to include in our requests background information on the individual such as the identification number, address, date of birth and parents' names. Should your constituent be able to provide us with further details, we will make the appropriate inquiry at the Foreign Ministry. In the meantime, we will of course keep this case in mind and will report to you any information available from other sources.

I hope we will be able to be helpful.

Sincerely yours,

Robert C. Hill
Ambassador
